Property Description

This stunning property is located in Tres Rios de Ojochal and features the most breathtaking views of Caño Island and the southern end of the Osa Peninsula. The vast Pacific Ocean with its cool breezes is the focus of this ready to build property. Surrounded by jungle with the sound of monkeys in the background and tropical birds over head, the sunset view from this property is made for the movies. This private oasis is easily accessible from a paved road and is close to great restaurants and the towns of Ojochal and Uvita. Fiber optic Internet is available. Special features of the property: • 360° views – unobstructed pacific ocean view with “special” beach and coastal mountain views. • Room to build house, pool, and cabinas • Just 5 minutes drive from the main road. • Close to Uvita and Ojochal • Cool breeze directly of the ocean • Private Tres Rios Phase 3 Lot 11 Price: \$195,000 Acres: 3.
