Property Description

This house built above the current standards of Costa Rica is located on a property of 2000 square meters with an incomparable view, very well fitted out and maintained permanently by a great talent gardener. Located in the Valley of Los Angeles Sur, San Ramon de Alajuela, Costa Rica, this beautiful property has the most magnificent view of the valley where the breeze helps keeping a very pleasant annual temperature at night and not too hot during the rest of the day. The large central ceiling over 14 feet high gives a beautiful atmosphere and fresh evenings and is a good asset during the rainy season, in order to drop the humidity if necessary. This large property will bring you all the interior and exterior amenities desired by anybody who wish to settle in a place where the climate is not hot or too dry. The property of which all the floors are provided with ceramic offers you: - Modern cuisine with gas stove, large fridge and dishwasher, all finished Stainless and acquired at the end of 2021.
