Property Description

Located in the mountains above the charming village of Ojochal, this lovely lot is ready for building your dream retirement or vacation home. Located in a gated community, this lot has beautiful ocean view, set against the backdrop of the surrounding mountain range where you can see a waterfall during the rainy season. The altitude is high enough for wonderful, tropical breezes to assist in keeping you cool. This is truly one of the very best lots available! This community has a neighborly feeling, with already many homes completed. All utilities, including ASADA, electricity and high-speed fiber optic internet, are in place and available for immediate connection at the road. All you need is some imagination, an architect to draw up your plans, and a few months to build. The international village of Ojochal, where this property is located, features an exceptional array of dining options and other amenities including a pharmacy, doctor's office, dentist's office, spa, grocery shopping, and more.
