Property Description

Casa Las Nubes is the perfect name for this property. Situated in the clouds at 500+mtr above sea level, situated just 20 minutes drive from samara and another 25 minutes from the costarican colonial city "Nicoya" enjoy beautiful views of the mountains, the ocean and breathtaking sunsets while enjoying the cooler mountain air. Once you experience the freshness of the mountains, you won't want to leave. Built in 2016, the house features 3 bedrooms, 2 bathrooms, a large fully equipped kitchen and dining/living room with ocean and mountain views. The living area extends outdoors to a large outdoor patio from which you can access the pool, the BBQ area and storage area. Keep your pets safe and sound (and out of the way) with the enclosed dog run and enjoy the convenience of two underroof parking spaces. The elevation and rich soil of the property support a productive coffee and pineapple plantation with room to add more fruit trees like mango, avocado, oranges or any other delicious fruit grown in Costa Rica.
