Property Description

Beautiful residential property located on the hills in Barrio San José. It's location on the top of a hill makes it is very breezy and extra private. This house has beautiful panoramic views over the capital, the mountain ridges and as bonus you are living in nature. It has flat areas and a free standing garage. Located in Atenas, this house is 35 minutes drive to San Jose , 40 minutes drive to the airport and 1.10 minutes drive to Jaco beach. Perfect for those looking to be surrounded by nature and in a quiet location while been 15 minutes away from the commercial amenities of Atenas. The structure has a simple and clean design with luxury details as the polish concrete floor and solid teak wood. It has 3 bedrooms, 2 full bathrooms, integrated living room, dining room and kitchen space. The big sliding doors brings you to a spacious terrace to enjoy the beauty of this house and its settings.
