Property Description

This beautiful property is located in a very quiet and safe area to live, on a dead end street and surrounded by a lot of nature and vegetation, with very nice views of the mountains and surroundings. In the main area of the property we find large green areas with a wide variety of ornamental and fruit trees in production. A grand entrance from the front gate to the main house surrounded by beautiful palm trees give a great welcome to owners and visitors. In the main house we find large resting areas in flying hallways, the back terrace is huge and with beautiful views, all the rooms with windows and sliding doors give to the terraces and hallways of the house. All areas of the house have air fans. This property currently functions as a boarding house, but also has plenty of potential for a rec centre development, hotel development, integrated older adult daycare centre development or many other options.
