Property Description

Discover your paradise retreat! Just minutes from Marina Pez Vela and charming Quepos, this affordable three-bedroom townhome is perfect for peaceful living or a wise investment. Escape the high prices of ocean-view properties while enjoying the convenience and beauty of this coastal haven. Step into this charming townhome through a private carport, unveiling an inviting, sun-drenched living space. The ground floor boasts an expansive chef's kitchen, thoughtfully appointed with state-of-the-art stainless steel appliances. Adjoining the kitchen is an open and spacious living and dining area, perfect for relaxation and entertaining. Additionally, a well-equipped laundry room with a washer and dryer and a full bathroom contribute to the convenience and practicality of the home. The seamless flow of the interior extends to a covered back terrace, creating an inviting space for outdoor gatherings.
