Property Description

Stunning Ocean View Villa with Modern Design and Guest House Nestled in an pristine coastal location, this beautiful property offers the perfect blend of contemporary architecture, breathtaking ocean and mountain views, privacy and versatile living spaces. Built in 2008, this residence, designed by award-winning Costa Rican architectural firm ICESA, exudes a sense of luxury and comfort. Designed in harmony with the daily sea and mountain breeze cycles, it is the perfect expression of indoor and outdoor living. Conceived and built as an open plan living space with sliding glass panels to unify a contemporary interior space with lush surrounding jungle and mature gardens for a truly unique living experience. The principle living space encompasses an open kitchen, dining and living room space that seamlessly flows onto 3 covered terraces and the pool. Each terrace offers unique views of the surrounding area.
