Property Description

We offer space for 8 guests, but it is also a wonderful place for small families or couples. Start your day with breakfast on our terrace, enjoying one of the best Pelada views over the Pacific while observing gorgeous birds, howler monkeys and vibrant colored hummingbirds. At the end of the day unwind on the spacious terrace, a perfect setting for dining while savoring breathtaking sunsets. Lean back on the barstools to enjoy cocktails passed through the service hatch. Location is everything: In the charming, calm neighborhood of Pelada, Banana Paradise is surrounded by lush green banana trees, which give shade and calmness. Our house is located at the top of a quiet dead end road, where you are protected from dust and car noise, mostly with a light sea breeze around you. We are happy to have such a breathtaking view over the Pacific, where you can even listen to the sound of the waves. Pelada Beach, Nosara's most beautiful Beach, is a 12 -minute walk, a 5-minute ride and offers 2 alluring beachside restaurants, a sheltered picturesque half moon bay, where the laid atmosphere makes the perfect place to spend the day relaxing.
