Property Description

This modern and elegant 2,000 square foot luxury home is located in the hillside prestige community of Marina Vista, part of the scenic Escaleras neighborhood in Dominical. This tropical-inspired home features majestic ocean views from its peaceful setting above Dominicalito Cove. With over 2 acres of beautifully landscaped grounds, this is a perfect setting for tranquil relaxation, and sophisticated indoor and outdoor entertaining. The spacious open-plan interior includes all the benefits of a tropical open space design: clean lines, natural light, glass walls, high ceilings, and glossy tiled floors. Builder Benjamin Morris of Paradise Homes designed Casa Vista Marina, this luxury Ranch with three bedrooms. He is well-known for his fine finishes and quality craftsmanship. A large front door pivots and allows for a grand entrance. The home is partially furnished with by a local designer Lucia Esquivel of Natural Instincts Designs.
