Property Description

This beautiful house is brand new. It is located in a private residential area just 2.5 miles from the city center of Atenas. With very nice finishes and details that make it different. The house has three bedrooms, two bathrooms, laundry, and a large terrace in the back that allows you to appreciate a very beautiful view at any time of the day. Surrounded by nature and with many trees around it to appreciate the many birds that live in the area. This house is sold with appliances (refrigerator, microwave, oven, electric cooker, dishwasher, washing machine and dryer). It also has 3 air conditioners. This house is available to visit whenever you want. Contact me and let's arrange a visit.
