Property Description

Sitting at an elevation of 2,724 feet, this contemporary open concept mountain home will appeal to buyers who are looking for an exceptionally high quality built home , with low maintenance and an outdoor entertainment area that delivers a luxurious resort style feel. The property is extremely private, very secure and tranquil and yet you are only a 10 minute drive into downtown Atenas. Enjoy your morning coffee on the lanai, watching and listening to nature at its best. If bird watching is your pleasure this property will astound you with the sights and sounds every single day. This property features a huge 42' long pool with an 8' deep end , so if you enjoy swimming laps or pool aerobics, then you will not be disappointed. It also has a perfect shallow end with elegant steps to just sit and enjoy. At night enjoy a beautiful evening by the wood burning fireplace while waiting for the hot tub to heat up.
