Property Description

Luxury Meets Nature: Whales Tail View Home in Uvita Discover Casa Moses!! This home redefines tropical luxury, boasting jaw-dropping views of Marino Ballena National Park's iconic Whale's Tail and dazzling white-water sunsets. Whether lounging on the expansive patio, cooling off in the infinity saltwater pool, or marveling at the vibrant wildlife, this home offers an unparalleled connection to Costa Rica's natural beauty. Step through the stunning handcrafted pivot door into a world of sophistication. Inside, an Indonesian sandstone feature wall and a hand-carved teak floating staircase take center stage, framed by vaulted 10-ft ceilings and floor-to-ceiling glass sliders that seamlessly blend indoor and outdoor living. The outdoor oasis is an entertainer's dream, complete with stylish furniture imported from Bali and premium Sunbrella fabrics. The covered terrace and pool deck provide access to one of the main bedrooms with its private patio—a perfect retreat.
