Property Description

The price is reduced from \$420,000 to \$399,000! This beautiful single-story home is located in a small community just 15 minutes from Atenas. Surrounded by lush tropical scenery, the property faces a small forest with a gentle river fed by natural springs flowing down from the surrounding hills. The house features two master suites, each with its own private bathroom. The main living area opens onto a stunning infinity pool overlooking the forest, creating a serene and picturesque setting. At the back of the house, the owner has built a professional music studio with soundproofed walls and a ceiling. This space, accessible from the rear of the house, could easily be converted into a guest house with a bedroom and a bathroom (yet to be built). A private terrace offers a perfect spot to connect with nature and enjoy the peaceful surroundings. On the left side of the property, a charming casita is situated, featuring a bedroom, bathroom, and private terrace.
