Property Description

Just 1 km from the main road leading to Playa Coyote, the Rio Bongo estuary, and neighboring Playa Caletas, this exceptional ocean-view property is located in one of the most exclusive and still undiscovered areas of Costa Rica's Pacific coast. Accessible by a semi-paved road and surrounded by tropical nature, the property offers privacy, tranquility, and panoramic views of the estuary, Playa Caletas, and the Nicoya Peninsula. The main residence is a solid concrete construction with block walls and elegant coffered ceilings, designed for durability and comfortable coastal living. Ideal as a private residence, vacation home, or investment property, the house features two levels connected by a spacious staircase. On the ground floor, the home offers an open living and dining area, a functional kitchen equipped with shelving, stove, and refrigerator, plus a guest bathroom. Upstairs, two bedrooms are separated by a large balcony with spectacular ocean and mountain views.
