Property Description

680-Acre Titled Beachfront Luxury Estate - Golfo Dulce, Osa Peninsula, Southern Pacific Costa RicaDominical Realty is honored to present a rare opportunity to acquire a 680-acre (275-hectare) fully titled estate on the shores of Costa Rica's most biodiverse region. The Golfo Dulce Estate encompasses primary rainforest, its own waterfall, and direct access to a pristine, swimmable beach. Surrounded by Piedras Blancas National Park and accessible only by boat, it offers exceptional privacy within lands safeguarded from overdevelopment. Fully off-grid yet thoughtfully developed, this estate combines sustainable living with meaningful conservation impact and extensive, well-maintained infrastructure. The Golfo Dulce Estate - Key Investment HighlightsGlobally Significant LocationSituating in southern Pacific Costa Rica, Golfo Dulce is one of only four tropical fjords in the world — a marine biodiversity hotspot recognized as a Humpback Whale Heritage Site, Mission Blue Hope Spot, and Hammerhead Shark Sanctuary, with resident dolphins and year-round bioluminescence.
