Property Description

A Huge Rainforest, River & Waterfall Property With a BRAND-NEW Jungle-View Luxury Home on a Massive 4.32 Acre Lot – PLUS an Additional Plantel ready for Development – Just 5 Minutes from Uvita and 13 Minutes from Marino Ballena National Park. THE LOCATION – 250m ELEVATION ABOVE UVITA WITH VIEWS TOWARDS THE EAST Situated in the upper reaches of the sought-after Union Road address, this property descends a mountain ridge above the nearby resort town of Uvita. But you wouldn't know it as the east-facing views extend across endless mountain, valley and rainforest vistas, mere foothills of the towering 4000-meter Cordillera Central range...so the vibe of the property is a true 'middle of nowhere Costa Rica' feeling that is only betrayed by knowing that a few minutes' drive will bring you to all the essential (and extraneous!) services and amenities of buzzing Uvita.
