Property Description

This beautiful area covered with tropical rainforest is known for its stunning nature and its biodiversity and there are lots of things to do. Rivers and waterfalls create magical places for people to swim and relax. The tropical rainforest meets pristine palm beaches in Dominical and Uvita. And the Pacific Ocean supplies the area with extraordinary marine wildlife as whales, dolphins and sea turtles. To the south is the renowned Corcovado National Park, according to many visitors the most beautiful national park in Costa Rica which has the most intense biodiversity in the world. Come and enjoy the Costa Ballena, the area around Dominical, Uvita and Ojochal. Surrounded by waterfalls and natural pools, 25 minutes drive from Marino National Park.
