Property Description

Your contemporary home with comfort, security, and practical luxury. Discover a contemporary-style detached house, designed for modern families who value comfort, functionality, and security. Spread over two levels, it offers a spacious bedroom with a private bathroom on the first floor, ideal for privacy or use as a home office. Privileged location in one of the best residential areas in the East, close to everything you need. Spacious rooms and an optimal layout that maximize daily living and entertainment, with high-quality finishes and a contemporary aesthetic. Key advantages: High added value and excellent future investment. Integrated security with electric gate, security system accessible from your cell phone, and solar hot water system with on-demand heater. For added comfort, it has air conditioning in the master bedroom, integrated living and dining room, TV room, study, and spacious social areas.
