Property Description

Tucked between the emerald embrace of the rainforest and the endless blue of the Pacific, Casa Bella Viña is not just a villa—it's an experience. Located just minutes from the golden beaches and the vibrant surf town of Dominical, this five-bedroom retreat is where nature, luxury, and adventure blend seamlessly, inviting you to step away from the ordinary and into a world of warmth, wonder, and unforgettable memories. Imagine waking up to the soft hum of the jungle—birds calling from the canopy, waves rolling in the distance, golden light filtering through the trees. Here, the air is thick with the scent of salt and orchids, and every space is designed to welcome you home. Step Inside: A Sanctuary of Light, Space & Soul Your journey begins at the grand Torana-style entrance, a sculptural gateway inspired by the ceremonial arches of the Indian subcontinent. Step through, and the world slows—an intimate courtyard invites you to pause, breathe, and savor the moment before the villa unfolds before you.
