## Property Description

This spectacular 5,400 m<sup>2</sup> property is located in an exclusive mountain residential community in Copey de Dota, an area known for its tranquility, cool climate, and breathtaking landscapes. Its semi-flat topography and extensive usable area make it the perfect setting to build a mountain home, boutique cabins, or a private retreat. Enjoy open views toward the Dota mountains, convenient access via a fully passable road, and a privileged location within a secure and private residential project surrounded by nature. An ideal lot for those seeking exclusivity, privacy, and an authentic connection with the high-elevation forest.
