Property Description

Nestled in one of Costa Rica's most sought-after communities, this 3 bed, 3.5 bath estate home offers over 4,000 sq ft of luxury living, perched on just over three-quarters of an acre with breathtaking views of the Pacific Ocean, rolling waves and the dramatic cliffs of Tortuga Beach. Located on calle Perezoso, this prime address strikes the perfect balance between privacy and accessibility. Walk to the vibrant center of Ojochal, yet come home to cool ocean breezes, lush jungle surrounds, and the sights and sounds of monkeys, toucans, and scarlet macaws. Step inside to discover three master suites, each with spa-like ensuite bathrooms and walk-in closets. Two suites are on the main level, while a third on the lower floor opens directly to your private pool oasis. The split-level layout ensures privacy for all. The chef's kitchen is a standout, featuring high-end Drija appliances, a large island topped with handcrafted local wood, and not one but two walk-in pantries.
