Property Description

Casa de Luz is a fully remodeled modern home for sale in a gated community in Grecia, Costa Rica. Built in 2009 and extensively renovated in 2024, this single-level property offers 302 m² of construction on a 469 m² lot, combining contemporary design, privacy, and functionality. This 3-bedroom, 2-bathroom home features an open-concept layout that seamlessly integrates a spacious kitchen, dining area, and living room—ideal for modern living and entertaining. The property also includes a dedicated office/workstation space, a 2-car covered carport, and a fully private backyard. Designed with high-end finishes, the home showcases exposed concrete, brick accents, premium glass windows, custom lighting, and abundant natural light throughout. The 2024 renovation included a new roof with upgraded insulation, all-new window systems, updated bathroom fixtures, and a fully renovated kitchen with new countertops and finishes.
