Property Description

Achiote is an exceptional luxury estate lot offering the perfect canvas to create a private retreat surrounded by the natural beauty of Costa Rica. Positioned within a highly desirable setting, the property combines privacy, exclusivity, and breathtaking surroundings, creating a rare opportunity for a custom-designed residence. The lot features generous building potential, allowing owners to design a home that fully embraces the landscape, views, and year-round tropical climate. Whether envisioned as a luxury primary residence, vacation home, or legacy estate, Achiote provides the space, serenity, and prestige sought by discerning buyers. With its premium location, natural beauty, and long-term investment appeal, Achiote represents a unique opportunity to secure a piece of Costa Rica's luxury real estate market and bring a dream home to life.
