Property Description

English: Nestled in the serene mountains of Tres Equis, Turrialba, this beautifully maintained 3-bedroom, 2.5-bathroom home offers an unrivaled lifestyle defined by tranquility, natural beauty, and spectacular views of the iconic Turrialba Volcano. Sitting on a generous 10,252 m² (approx. 2.53 acres) fully fenced lot with a private electric gate, this property is a rare opportunity to own a true mountain sanctuary in the heart of Costa Rica. Step outside and be greeted by lush, fully landscaped grounds blanketed in well-manicured grass, a variety of fruit trees, and mature tropical trees that bring color and life to every corner of the property. At the front of the home, a stunning swimming pool with an integrated jacuzzi invites you to unwind while soaking in the breathtaking mountain surroundings. The outdoor living experience is further elevated by a beautiful gazebo perfectly positioned to frame the Turrialba Volcano – an idyllic setting for open-air dining and entertaining.
