Property Description

This exceptional lot is located in the heart of the Holos community, surrounded by lush nature and offering breathtaking views of Diamante Waterfall, one of the tallest waterfalls in Costa Rica, directly in front. On the other side, you can enjoy the vibrant colors of sunsets over the mountains. Additionally, you'll have beautiful views of the surrounding mountains, creating the perfect backdrop for peace and connection with nature. The lot has usable topography with beautiful trees throughout, providing both natural beauty and plenty of space for construction or outdoor activities. Within the community, there are beautiful trails that take you through the jungle, allowing you to fully connect with nature. These trails lead to a peaceful river with waterfalls and natural swimming pools, perfect for relaxing and enjoying the outdoors. The community also offers common areas designed for relaxation and activities, including a peaceful yoga platform, cozy spaces for gatherings, and green areas where children can socialize and enjoy nature.
