Property Description

Set above Uvita's lush coastline, this newly completed contemporary villa offers a seamless blend of architectural design, everyday functionality, and effortless indoor-outdoor living. Positioned on the hillside just minutes from the highway and town amenities, the home enjoys ocean views, year-round sunsets, & close to everything Uvita has to offer. Upon entering, natural light highlights the home's clean architectural lines and thoughtful layout. Off to the side of the main living space, a modern glass staircase becomes a subtle architectural feature, enhanced by a sculptural chandelier suspended above, adding visual interest without interrupting the openness of the home. The open-concept living and kitchen areas flow effortlessly toward the covered terrace and pool through expansive sliding glass doors that fully open, creating a seamless transition between indoor comfort and outdoor living.
