Property Description

Casa las Nubes is an award winning, architectural masterpiece which is one of the most exclusive estates available anywhere in the Manuel Antonio area. This magical home combines a modern feel with a seamless integration into the magical jungle setting and dramatic ocean and coastal views which define the area. From the moment you step towards the home, a pathway of raised steps with a flowing water feature around them which runs through the home and integrates into the pool, you feel the luxury and exotic inspiration. The main level is comprised of an open air gourmet kitchen area complete with granite island as well as the dining area. The homes iconic water feature separates the kitchen and dining from the living space whose bright feel and high ceilings make for an amazing place to just relax and let time slip by. All of the main level, and house, offer dramatic ocean and tropical views and the entire space spills out onto the terrace and pool area.
