Property Description

Classic Mediterranean Estate on 5 Acres (2 HA.) of manicured lawns and flowering gardens with all amenities including a separate guest home and a professional Tennis Court and two service houses for staff. (can easily be changed into full homes).Residencial el Castillo is a secure development located 35 minutes from the Capitol of San Jose and 20 minutes from the Juan Santa Maria International Airport and 90 minutes from the sandy beaches of the Pacific. Supermarkets and gourmet restaurants are in abundance less than 15 minutes from the door.Your new estate is totally private and secure as it is fenced and also protected by hundreds of stately trees and bamboo growths as well as a river gorge behind the property and fronted on a secure paved road. The climate is temperate year round with no extremes. There are 3bedrooms in the main home with 3 ½ baths and a newly installed kitchen of gourmet quality, office, living room, library, barroom and dining room.
