Property Description

This modern open concept home is situated in the new neighbourhood of Jardines Del Sol, in the heart of Uvita. This large luxury model includes a main floor master, with walk-in closet and generous master bath equipped with double sinks, granite counters, and an inviting shower. The upper level includes 2 additional master bedrooms, with private baths, and gorgeous terraces over-looking the custom pool. Each bedroom has electric and cable installed for t.v's in order to eliminate those messy cables. Efficient air-conditioning units are in each bedroom as well. The chef's kitchen has gorgeous cabinets, granite counters, gas and electric hook-ups for the range, tons of natural light, a wonderful island which includes a second sink, garbage disposal hook-ups, and beautiful fixtures. Built in spice drawers and wine racks complete this fresh and current kitchen design. This open concept floor plan has been designed for entertaining with a great living room, guest bathroom, and walks out to the back yard and pool area.
