Property Description

This Ocean view house overlooks the famous Whale's Tail formation. You can admire spectacular sunsets from the terrace, the pool area or the second floor balcony. Live in comfort year-round in this home which features high ceilings, ceiling fans, and air-conditioning in the bedrooms and main living area. The first floor encompasses two suites, each with a combination walk-in closet and bathroom. Also located on this level are a living area, a small kitchen, and outdoor covered terrace with dining area which leads to the lovely swimming pool. On the second level you will find another bedroom and bath, the main kitchen, and living/dining area extending out to the large covered balcony. Both levels look down on the beach with white water views of the crashing waves. Beautiful mountain views are available on the other side of the home. Accessible via two-wheel drive off of the main Costanera Highway, there is also a two-car carport with storage.
