Property Description

A rare find ! This 2600 sq. ft., 3 bedroom, 2 bath home is located on a hilltop overlooking rolling hills with an expansive ocean and mountain view. With 2570 square feet of space under roof as well to lounge and enjoy the yard, pool, terraces you'll enjoy all Costa Rica has to offer inside and out. The 4.84 acres have both sections of beautifully landscape areas as well as natural tropical forestation. The property is only 5 minutes from the main highway, yet is far enough away for a peaceful serene setting. The road leading to the home meanders through a palm tree grove and a hillside pasture before passing through ornate entrance gates then to the property. It is 10 minutes to the beach and 20 minutes from the local airport and Quepos hospital. If you decide to go South instead, you will reach Dominical in less than 20 minutes and then Uvita. Two of the bedrooms have patio door access to the pool area and the Master bath features a jacuzzi tub.
