Property Description

Absolutely stunning ocean and coastline view property with two homes and additional building site situated in Escaleras, Dominical; which is the Beverly Hills of the Costa Ballena with multi-million dollar neighboring homes. Prime real estate just 2.2 kms off the Coastal Highway and 10 minutes to various beaches, Dominical, and Uvita. This turnkey home and guest/caretaker home is ready for you to move in or rent out! The main house has a tropical indoor/outdoor living experience mixed with the feel of a Tuscan Villa nestled within your very own botanical gardens. The kitchen with granite counter tops and stainless steel appliances opens to the living room with fold-away doors allowing the outside porch and dining area to become part of the home. Ideally designed for the refreshing ocean breezes and year round warm weather. The master bedroom has its own private ocean view balcony and a bathroom with indoor and outdoor ocean view showers.
