Property Description

This 2,421 sq ft (225m²) custom home sits at the end of a quiet cul-de-sac in one of the best developments on the Costa Ballena. With four bedrooms and four bathrooms, the home has ample room inside and even more outdoor space. This pie-shaped lot measures 903m² and backs up to a small year-round creek. It is within walking distance of the beach and less than 5 minutes to all of the services of Uvita. You enter this two-story home into the living room to the left and kitchen to the right. The living room (and all the bedrooms) has an air conditioning unit and flat-screen tv surrounded by a couch and chairs. All furniture (minus personal effects) is included in the sale of the house. The kitchen is wrapped in hardwood and granite countertops. It offers stainless steel appliances and is impeccably maintained. There are windows and sliders all the way back which bring the green outdoors-inside.
