Property Description

This magnificent 3200 square foot house has it all. With two master bedrooms and the third room having an attached bathroom, lending to a it great flow and layout for grown up families, rentals and space for friends to visit. The property has an additional flat area that would be sufficient for a second house with amazing views and extra space for a covered rancho, garden etc...The infinity pool will be covered in a beautiful greenish colored stone from Indonesia and is large enough to swim, play or just float around. Plenty of patio spaced for lounge chairs and enough deck to entertain parties.The Furniture package blends right in with this amazing house with exterior and interior pieces. The bedroom comes with a complete bed sets and night stands, dining room table and chairs, even sofas and coffee tables. Exterior pool loungers and sofas are also included. Full list of items provided by the builder is available on request.
