Property Description

This Exclusive 20 acre private mountain top property overlooks the entire pacific from Manuel Antonio in the north to the Osa and Cano Island in the south. Amazing 180 degree ocean views with year round sunsets from all parts of the property. This compound consists of five large separate Balinese structures with a total construction of over 12,000 sq. ft. It features five bedrooms and five bathrooms and has ample additional land with two additional building pads ready to build on. Most internal roads are paved while fresh water comes from the owned deep well, underground electrical throughout the property and a 10KWh solar array directly connected to the grid and satellite internet. The whole property has maturing fruit trees, both native and planted by the owner. Over the last 9 years, this property has functioned as an income generating rental business with successful track record and high reviews.
