Property Description

Welcome to Paradise... This Beautiful 3 bed 3 bath home was constructed in 2007 Solid block construction ensures this home will last for many years to come. The home is accented with the finest tropical hardwoods from Costa Ricas jungles. Spanish tile and glass block are other details that make this home simple yet stylish. The entrance to the Estate is paved concrete ensuring a smooth ride for all. After entering the gated entrance we come upon the "Caretakers Home" This is a simple studio design which is currently occupied by the grounds keeper and the maid. This could easily be converted into a "Guest House". The Ocean View is one of THE MOST SPECTACULAR you will ever see in Costa Rica. The Home is perched up on a hill with gentle slopes surrounding the home, thus ensuring your privacy for the years to come. Sunsets will embrace you everyday of the year in this magnificent location between the Mountains and the Sea.
