Property Description

This cute 1 bedroom 1 bath home is located in the ideal, tropical, ocean view community above the culinary capital of the Southern Pacific Zone. The 2 bedroom guest home and the large work shop and pool complete the construction on this large, well laid out, idealistic 2.13 acre escape. This home is the most affordable home in a high end neighbourhood, which means that there is a lot of potential and a lot of 'upside' to this investment. Your time will be spent outside, in the landscaped grounds or beside the pool. The tropical birds, stunning sunsets, and exotic wildlife will keep you mesmerized as you discover the true meaning of 'Pura Vida'.
