Property Description

This is a private and secluded luxurious two-story, 3- bedroom, 4-bath (plus 2 half bathrooms) home built of poured re-enforced concrete and the finest wood finishes on 17 acres of land. The downstairs features a large office/study, formal living room with 25-foot high ceiling and windows, bringing in the views of Cerro Chirripo and natural light, a guest-room with en-suite bathroom, a large professional kitchen with granite counter tops and breakfast bar (w/sink), large family room, formal dining room, and an outdoor terrace with dining area and laundry room with full bath and guest bathroom. The second story features two very spacious master bedrooms each with large en-suite bathrooms, walk-in closet, and access to a wrap around balcony that enjoys the views of the mountains and the sounds of the cascading water. Both bathrooms have his/hers granite vanities and Jacuzzi tubs (one bathroom has his/hers toilets and large his/hers showers).
