Property Description

Beautiful new house build by an American Builder respecting US standards. A lot of effort was put into the smallest details. It has 10ft tall ceilings with teak crown molding. It includes top quality windows, doors and roof insulation. All cabinets and finishings are made out of teak wood. There is a covered 2 car garage complete with an outdoor cooking and entertainment area. It is fully landscaped and fenced in with a beautiful iron entry gate. The master bedroom has a walk-in closet and private bath. The second bedroom also has a private bath. The third room can be used for an additional bedroom or office. This house is an ideal house for a family. It has camara system inside and outside. It is mostly furnished and includes the kitchen appliances. It's located at the end of a dead end street and does not have any traffic which makes it a very quite place to live. You will enjoy a wonderful afternoon ocean breeze.
