Property Description

This beautiful 1,700 ft², pressure treated pine wood home, was recently built by Ballena Homes, a Custom Home Construction company from Ojochal. This home is perfectly designed to have great airflow and incredible views from all rooms in the house. The home features very large folding doors, allowing for lots of light and cool breezes to flow through the house, it is located in Ojochal about 10 minutes from the village entrance; a 4x4 is not needed to get to this home. It comes completely furnished and all appliances are included, this house is very nicely decorated and it is move-in ready. Gorgeous landscaping completes this property and there is plenty of room on this lot for additional construction.
