Property Description

Welcome home to one of the truest examples of a gorgeous ocean view home for sale in Costa Rica's South Pacific! Arrive in a two bedroom home in Ballena and be immediately captivated by the views from this one-acre property. See all the way to the Whale's Tail in Uvita and south to the mangroves past Ojochal will grab you from the moment you climb up to this home. Witness the magnificence of the Three Sisters rock formations, the Ballena Rock and Caño Island in full view right from your doorstep! Modern homes in this location sell for many hundreds of thousands more than what you will pay for this property with the exact same front-row ocean view! At present, spacious two-bedroom home with two bathrooms sits on this luxury lot. The property comes with a new, well-sized pool and two viewing patios where you can enjoy some shade and capture different sides of the view. The lovely tropical home has two spacious bedrooms each with a full bathroom, a separate laundry room, and a newly renovated kitchen.
