Property Description

The main house is located in a beautiful development, Alazan. Alazan is located on the first ridge line on the Parrita coastal plane in this quaint residential development. The property is accessed by a year-round, 2-wheel drive road and overlooks the Parrita river valley, towering lush mountains and catches a glimpse of the ocean towards Manuel Antonio. Villa Colina was designed by the owner, a renowned architect, measuring about 2368 sq. ft. This three-bedroom and two and one-half baths has a breath-taking open floor living area. The house sits on a SE-facing slope, overlooking the Parrita River with longer views of the mountains and Manuel Antonio. The main living area and master suite are on the top level (at about 400 feet above sea level). The kitchen was carefully designed making it a great entertaining home. All alliances are state of the art. The house was carefully designed with no detail overlooked.
