Property Description

This is a great opportunity for a would-be expat who wants to live in rugged Costa Rica mountain paradise and have a business to operate too! This property is perfect for a Chirripo trekker hostel. It is located less than a kilometer from the Chirripo trail-head and sits in a scenic perch above where the Chispa creek and the Chirripo river merge. The home is comprised of 5 bedrooms, each with its own full bathroom. There is an additional 1/2 bath off the living room. The bedrooms feature large beds and bunk-beds and each can host up to 6 trekkers. The living room leads to a balcony with scenic mountain and forest views and below you see the two merging water courses. There is a stone and concrete walkway down to the rivers, where guests will find swimming holes and cascadas (small waterfalls). This is about as scenic and pristine a site as you can find anywhere in Costa Rica. There is an ample kitchen as well.
