Property Description

Imagine living only minutes from watching the humpback whales in the water and gazing at the infamous Whales Tail. The Saint Tropez luxury home it's the ideal combination of Costa Rican mountains, private rainforest, and stunning ocean views. With the luxury home set 1,000 above sea level, you'll experience cool breezes year-round. This 3-bedroom luxury home features wonderful amenities, such as Rancho-covered terraces, a private infinity pool, and landscaped gardens. It's the perfect property to buy if you're looking for a vacation home in Costa Rica to escape to. The home was designed by a French designer and it is the perfect combination of French Mediterranean and modern tropical influences. Every room in the house--from the master to the kitchen-- looks out to the gorgeous mountain and coastline views and flows perfectly into the abundant outdoor terraces. The exterior lights are dimly lit for ambiance and safety, and then you enter your home to the music playing and dimmed lights.
