Property Description

This luxurious 6,243 square foot home offers some of the best views in Southern Costa Rica. From your outdoor terrace, you can see lush jungle views, beautiful ocean views, and views of the whales playing and mating. This high-end luxury home includes a large patio with a pool and spa, exotic stone kitchen countertops, and high-quality wooden furniture. This home is perfect for your next family home or if you're looking for a vacation rental. This 2018 custom built house includes both practical and luxurious finishing. It's insulated well with Durock flooring upstairs and block flooring underneath downstairs. Beautiful Turkish travertine flooring and tiles accent the house. A variety of ceiling fans, windows and door walls work to circulate the gentle outdoor breezes and keep the indoors cool as well. This luxury home includes fine wood furnishings throughout the eat-in kitchen and living room.
