Property Description

The Boutique Hotel in Uvita is a luxurious 20 room boutique hotel, perched at approximately 1000' above the world famous 'whale's tale beach'. It features full service 4 star hotel amenities, forever views, a popular full service restaurant, a relaxed bar and lounge, and a completely renovated and re-imagined multi-level pool with two infinity edges and a waterfall feature. The hotel offers 20 newly renovated ocean view rooms with private balconies, located in two gorgeous blocks. The upper block consists of 3 levels, and 12 beautiful suits. Each room has a stunning view of the world famous "whale's tail" at Playa Uvita, and gorgeous sunsets. The ocean view is endless, and leaves a lasting impression on each guest. The lower block consists of 2 levels, and 8 private suits. Each of these rooms has a private ocean view balcony, with stunning vistas. The lower elevation changes the view considerably, and tropical birds, monkeys, and other exotic species often visit these rooms.
