Property Description

Mixed use property in most desirable section of Pavas. Home is 500M2 of living space on 485M2 lot. Walk into a wide hallway with view to an interior garden. The formal living room leads into a family room that in turn leads to a spacious backyard with storage shed. You will also find the dining room and kitchen and laundry area on this level. Two of the four bedrooms on this level are being used as a spa open to customers. The entire first floor level is tiled and ceilings are vaulted with wood finishings. The second level has three bedrooms and two full baths. The master suite has a walk in closet and a balcony. On this level you will find wooden floors and sky lights. This property is centrally located and is already approved for mixed use. Live and work from home and enjoy a secure safe neighborhood. Owners willing to finance part of the sale. Propiedad de uso mixto en la sección más deseable de Pavas.
