Property Description

At the end of a quiet street you will find this hidden oasis within a “gated” estate neighborhood high above the village of Tres Rios. The property itself has 2 gated entries, 1 for the houses and the other entry is on a lower plantel where the fruit orchard is located. This is a large flat area where you could easily build additional buildings should you desire. The open-concept main residence offers beautiful vaulted ceilings, custom wood-work with 2 spacious bedrooms, and 2 full bathrooms. A step-saver island kitchen has everything a cook could want – granite counters, ample storage and counter space, stainless steel appliances and custom cabinetry. CASUAL POOLSIDE LIVING...can be yours to enjoy in this beautifully landscaped yard. Lookout over a colorful palate of tropical flowers, including a large variety of orchids over rolling green lawn to a spectacular 180° ocean view. The spacious infinity-edge, tiled pool will be a great hit with friends and family alike.
